> **PROFILE:** Hi, I'm Diana, and a year ago, when I started studying computer science, I discovered that I really like programming, obviously I'm not a professional in programming yet, but that's what I want to become.

I like working in Unity and in Blender - To watch series and play in my free time.

> **STRENGTHS:**

- ✓ Unity/C#
- ✓ 3D/ Rigging, Animation
- ✓ Game Design

> **BEST GAMES EVER:**

- League of Legends, FIFA21, Metin2 Ro, Diablo, Fortnite, God of War, PlayerUnknown's Battlegrounds, etc.

> **IDEAL INTERNSHIP/JOB:**

I am looking for an internship / job as a Junior Game developer, preferably an internship / job combining where I could do rigging / animation / C # programming
