> PROFILE:

I am a 2D Animator/ Illustrator living In Brussels. I am interested in conveying stories, the planning and research put into it, I like to become invested in my characters and build a world that challenges them and me as a creator. I like to sketch, storyboard, and animate in 2D, as much as 3D is becoming important/popular choices.

I am reserved as a person and shy but once I understand you I become this firecracker and your team wouldn't handle the JOY. as Hobbies I have always enjoyed oil painting and that since the womb ! I do textile work and design knitwear, so you have your hands on a crafty too. It brings me great purpose and satisfaction to create.

> STRENGTHS:

2D Design, character sheets, storyboarding, Audio design, After effects, photoshop, Illustrator, Indesign

> IDEAL INTERNSHIP/JOB:

I am looking for a job in either 2D animation, graphic design, or Illustration.

I am looking for an internship with a lot of Inclusivity no matter your race or gender. I function best with diversity because I enjoy learning from other people, and I expect to grow through my inquisitive mind. A very social and creative place, where employers and employees can also get along without the fear of BOSS.
