PROFESSIONAL PROFILE

I'm searching for a **position** as a junior web application developer, in Brussels. (French or English team)

Portfolio : <http://www.if3projets.net/wad19/mathilde>

LinkedIn profil : /moreau-mathilde

SKILLS AND ABILITIES

Project management:

- Agile methodologies
- Writing specifications
- Adobe XD (beginner)
- Other tools : Zepelin, Slack, Monday

Back-end:

- PHP, mySQL, Symfony
- Database analysis and UML Analysis Model

Front-end:

- HTML5/CSS3
- JavaScript, Json, jQuery, Ajax
- WordPress, Drupal

Languages:

- French
- English (intermediate B1)

Journalism:

- Conducting interviews
- Writing
- Radio Broadcasting

I can easily speak in public, and have the ability to work independently as well as part of a team. I am organized and can multi-task.

INTERESTS

Yoga enthusiast.

I like to read books and specialized press (as *Rockyrama* : a cinema magazine; and *Chut!* : a webzine about digital).
